

## NARRATIVE REPORT OF THE ACTIVITIES OF OPOD asbl DONE FROM 31 AUGUST 2024 TO 29 SEPTEMBER 2025

### 1. BACKGROUND

Peace Organization for Development Opportunities "OPOD asbl" ([www.opodasbl.org](http://www.opodasbl.org)) is a local organization under Congolese Law working for the consolidation of Peace, Non-violence, justice and Development at the Community levels in Democratic Republic of Congo, South Kivu Province, Uvira and Fizi Territories.

Mission of OPOD asbl, is to train, supervise, initiate and support the people in difficulty and especial women and young people in self-care and collaboration of different ethnic communities

Vision of OPOD asbl is to focus on sustainable humanitarian actions for women, young people, vulnerable children, disadvantaged and unemployed people, in order to achieve a sense of collective solidarity and sympathy for the victims of conflicts and the protection of environment

Values of OPOD asbl are: Love, Mutual Aid, Trust, Environment, Honesty, and Peace.

### 2. SOME ACTIVITIES CARRIED OUT BY OPOD asbl IN DRC FROM 31 AUGUST 2024 to SEPTEMBER 2025 WITH FINANCIAL SUPPORT FROM JOHN CARVOSSO FROM UNITED KINGDOM

**ELECTROENCEPHALOGRAMME/CNPK**

Patient **SOLANGE LEHESA KABIONA**  
 Birth Date 30/06/1993  
 Gender F  
 PID 42285 CONS  
 Recording Type EEG.NET  
 Recording Date 13/06/2025 12:32:34  
 Recording Duration 00:12:00

**PROTOCOLE EEG**

L'examen a été réalisé dans des conditions optimales.

Le tracé est caractérisé par une activité électrique dont le rythme de base se situe dans la bande Alpha à 11Hz à prédominance postérieure, il est continu, symétrique et réactif à l'ouverture des yeux. L'hyperpnée et la SLI n'apportent pas d'éléments nouveaux sur le tracé. Pas de crise, ni grapho-éléments paroxystiques au cours de l'enregistrement.

**CONCLUSION**

Le tracé est continu, symétrique et réactif.

Pas de foyer ni grapho-éléments paroxystiques constatés lors de l'enregistrement.

A ce jour, le tracé est exempt de toute anomalie.

L'implication clinique reste privilégiée.

1

- f. Organise community meetings on peace and peaceful coexistence between communities

- g. Pay monthly house rental fees for Mkangya and Maombi Mitamba family.

### 3. DIFFICULTIES ENCOUNTERED

- a. The existence of several vulnerable children at the primary, secondary, and university levels that require financial support for their academic success.
- b. Lack of land to build permanent office for the OPOD asbl non-profit organization
- c. Reduced budget to support all of the OPOD asbl organization's activities as defined on its website ([www.opodasbl.org](http://www.opodasbl.org))
- d. Non-payment of OPOD asbl Organisation's staff
- e. Lack of capacity building and institutional supports

### 4. RECOMMENDATIONS

- a. Continue to support the education of vulnerable children at primary, secondary, and university levels
- b. Create a Twinning framework between the children from the United Kingdom and the Children in Democratic Republic of Congo
- c. Support the payment of and the permanent building of OPOD asbl non-profit organization office
- d. Increase OPOD asbl non-profit organization budget to facilitate its various operations written on its website.
- e. Take charge of OPOD's staff payments, institutional support and capacity building
- f. Continue to care for severely traumatized women, men and children and provide them with humanitarian assistance when needed
- g. Support environment actions in Democratic Republic of Congo
